WELCOME TO
KLEINER MICHEL!

LIVING, learning and celebrating faith together

THE KLEINER MICHEL – is the Catholic church in the city centre.

People from a wide variety of backgrounds visit this place to come into contact with God and draw new strength when they pray. This place also offers a variety of opportunities to exchange ideas and experience community. It is a wonderful place to learn about faith and celebrate together.

Three international congregations – German, French and Filipino – combine something like home, lived hospitality and practised international understanding with the *Kleiner Michel*.

Countless volunteers ensure that the *Kleiner Michel* remains open and lively. A number of groups and communities meet here regularly and see themselves as an important part of the larger whole. The Jesuit community characterises the place with its cosmopolitan spirituality and pastoral care that leads to depth and breadth.

Charity, tolerance and freedom are values that are emphasised here. Children and young people, the poor and the disadvantaged receive protection and attention. People are at the centre of everything we do. In everything we do, we are guided by the thought that God is already there, that he can be sought and found.
